

## Stop Salmon Farm Expansion

Please sign this petition to the Scottish Government and Fergus Ewing - the Scottish Government's Cabinet Secretary for Rural Economy, urging them to call for a moratorium on expansion of the salmon farming industry in Scotland. We are asking for this to improve the lives of farmed salmon, cleaner fish, seals, and cetaceans such as harbour porpoise. **(Please write your details clearly so that your support can be counted)**

OneKind relies on your support to continue fighting to end animal cruelty. We may write or call you to keep you informed of progress and updates with regards to this campaign; but also other areas of our work; future campaigns, events and fundraising campaigns that you may be interested in. **Please tick if you are happy to receive our updates, information and an occasional fundraising ask by email so you can continue supporting Scotland's animals. You can opt out at any time.**
